### **Accountable Officer Identity Publication**

As required by the *National Energy Board Onshore Pipeline Regulations (OPR)*<sup>1</sup>, impacted regulated companies must submit the name and designation of an Accountable Officer to the Canada Energy Regulator (CER).

Beginning 12 April 2021, the CER will publish the list of Accountable Officers on its website to increase transparency and accountability as part of the Government of Canada Directive on Open Government.

This will promote accountability for ensuring the safety and security of persons and pipelines, and the protection of property and the environment.
